AbsolutePower™ 1.0 Fast Charge for iPhone® 5

K39763AM

Product Description

Spend less time waiting for your iPhone® 5, iPad® mini, iPod nano®7 or iPod touch® 5 to charge and more time enjoying them with the Kensington AbsolutePower™ 1.0 Fast Charge. It features a built-in Lightning connector to allow you to quickly and safely charge your iPhone 5, iPad mini, iPod nano or iPod touch from any wall outlet, so you spend less time waiting and more time enjoying your iPhone 5, or iPad mini. The Apple® iPhone 5 and iPad mini can do so many amazing things you'll find yourself using them a lot. And that means you'll need power—a lot! The AbsolutePower 1.0 is the perfect charger to keep at home, the office—anywhere you need a safe, reliable charge.

The Kensington AbsolutePower 1.0 Fast Charge features a compact design that stows easily in your travel bag. What's more, the Lightning connector cable is hardwired to the plug, so you'll never have to worry about losing the cord.

Don't let a lack of power get in the way of your enjoyment of your iPhone 5 or iPad mini. Make sure you always have a fast, reliable charger handy with the Kensington AbsolutePower 1.0 Fast Charge.
